More than 5000 visitors are expected at this exhibition fair.

During the same week, conferences and workshops will be offered, according to specific themes in fields of various skills such as economy, history, traditions, spirituality, culture, education and science. Distinguished speakers are expected from Guadeloupe, Martinique, Congo, Haiti, United States, South Africa, Mali and Europe. This great meeting of knowledge will be a main focus of the event, and will be held from 14 to 16 December, with 6 conferences and workshops, meaning two per day.
